**Ready Mixed, Waterproof Coating**  
**ARDEX 1-K**

**Waterproof coating straight from the tub!**

The new ARDEX 1-K Ready Mixed Waterproof Coating is a flexible waterproof protection coat for use on backgrounds prior to tiling in domestic kitchens, showers and bathrooms. Because ARDEX 1-K is ready mixed, it can be applied quickly and easily by a roller or brush with no mess and minimal fuss. Following application of the second coat, tiling and wall finishes can be applied after only 12 hours.
