

ARDIPOX WA

For a faster, cleaner finish

NEW ARDIPOX WA is easy to apply and clean off giving a superior and economical result. Use it for fixing and grouting all types of ceramic tiles in showers, sports centres, abbatoirs, hospitals... in fact any specialised building demanding stringent hygiene and regular cleaning regimes.

New Ardipox WA provides a waterproof, weather resistant joint from 2-12mm wide, and is ideal for use in swimming pools.

Exceptionally cost efficient, New Ardipox WA is the right choice for commercial epoxide adhesive applications where a superior quality finish comes first every time.

Available now from all Ardex stockists.
