

Six!

For the SIXTH year in succession readers of the Contract Flooring Journal have voted our ARDITEX range of smoothing compounds as the 'SMOOTHING COMPOUNDS OF THE YEAR'!

We're honoured to achieve this prestigious award once again, proving how we produce the products industry wants. However, we won't get complacent, be assured we will continue to develop and produce market leading, cost efficient products supported by extensive customer service including demonstration days, technical advice, site visits and of course our award winning web site.
