**ARDITEX Always No.1**

### ARDITEX - The No.1 choice for flooring professionals

Small wonder that the yellow bag remains the firm favourite with specifiers and contractors, with literally millions of metres laid, Arditex leads the field in latex sub-floor smoothing and levelling compounds.

Arditex is 'engineered' to exceed industry standards and is ideal for virtually all domestic and commercial flooring applications. Exceptional performance properties, ease of use and suitability for use above and below a damp proof membrane are features which have made Arditex an industry award winner year in year out.

Nationwide availability and expert technical support add to the winning formula that helps make Arditex the No.1 choice for all flooring professionals. Find out more about Arditex at [www.ardex.co.uk](http://www.ardex.co.uk)
